

Programme recognising commitment and achievement within four sections:

- a volunteering role within the community
- physical training
- skills development
- a self guided overnight expedition after outdoor education

Duration

Single period per week during S3 to develop outdoor skills towards the expedition.

In class the three sections will be logged using the eDofE.

Work towards the section completion will be after school and at the week-ends.

Bronze award – one section will last six months

(26 hour long sessions)

other two will last three months.

(13 hour long sessions)

Recognition

- internationally recognised award
- recognised by employers and university admissions departments
- recognition by military and emergency services
- can progress to Silver or Gold awards during Senior Phase.
