Resources to support your child

All resources are available on Teams and Class Note Book in the following areas;

- Past Papers & Marking Instructions

Practical Strategies to support your child

- Ask your child to practise past paper questions and self-mark using marking instructions. Ask your child to use the link above to see if they have met the standards.
- Ask your child what each question means and what it might be asking. Tell them to look for key words
- Ask your child what their strengths are and what areas they need to try developing.
- Ask your child to seek advice and support where required – in class, break/lunch times or after school, email or teams access
- Attend masterclasses and study support (see timetable on school website and app)

How can you support your child?

- Encourage your child to build a study timetable
- Provide a suitable quiet space.
- Revise with your child or ask your child to teach you.
- Encourage your child to take regular breaks.
- Encourage your child to have a healthy work/life balance.
- Encourage your child to attend study support or master classes when available.
- Access the whole school study skills sessions available on Family Learning Hub.
