

The Prelim diet will take place from 1st – 17th December for almost all National 5 and Higher subjects. Advanced Higher Prelims will be held post-Christmas, except for AH Maths.

Pupils should sit a maximum of two exams in one day. If more than 2 exams are scheduled for a student, they should speak with their class teacher to reschedule one of their exams during a different time.

National 5 French Listening – please note that these will be done in class time so students should only attend the one with their own class teacher.

Assessment Dates

In addition to the prelim diet, there are also several important assessments taking place across Modern Languages, PE and Music. Students should prepare for these in advance as they will form an important part of their overall grade.
