Our Promise

Armadale Academy is committed to delivering both Excellence and Equity for our young people and their families. Our staff recognise the clear link between family socio-economic circumstances, educational opportunity and related attainment and achievement. We are proactive in identifying ways to reduce the cost of the school day for all students and we actively promote our school values of 'Respect', 'Equity' and 'Community' to create an inclusive environment which mitigates against the impact of poverty.

PUPIL EQUITY FUND 2026-27

Total Amount - £104,125

This will be spent on areas outlined above, identified through analysis of data and feedback from students, staff, parents/carers and partners.

Participatory Budget - £3124

This will be spent by Student Voice Groups on areas identified by students through consultation.

'Learning Together, Achieving Together'
